

MOE'S

Rye 6 Drawer Dresser Warm Brown

An inventive translation of piping detailing on traditional upholstery, the tonal woven soft rush front adds texture while complementing the solid mango wood construction of the Rye collection. More commonly recognized as Tatami-omote, this tightly woven multilayered natural rice straw is a centuries-old natural material known for its durability and temperature absorption originating in Japan.

- Solid mango wood frame
- Tatami-mat drawer fronts with wood & MDF drawer boxes
- Felt lined drawers with side mount ball bearing metal glides & drawer safety stop
- Constructed from mango wood sustainably sourced from trees that no longer produce fruit
- Open-Drawer Safety Stops: Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.

Item Code	BZ-1144-03
Swatch Code
