Rosemary Kitchen Island Red

Saturated red makes sure this solid oak island never goes unnoticed. Counter-height and clean-lined, the Rosemary anchors the kitchen with a generous oak surface made for prep, gathering, and casual dining. A painted base in confident red sets off the warm oak grain above, finished with simple metal hardware. Below, soft-close undermount drawers and cabinet storage keep everyday clutter out of sight. Function and color, finally on the same team.

- Red Steals The Show: A counter-height silhouette in confident red gives the kitchen a modern, grounded center that holds attention and keeps the layout open.
- Solid Oak, Naturally: The counter-height top is solid oak, so its natural grain and warm tone bring genuine wood character to daily cooking and prep.
- A Foundation With Backbone: A clean-lined painted base supports the oak top and pairs with metal hardware for a durable foundation that takes on everyday kitchen life.
- Room To Cook And Stash: A generous oak prep surface tops storage drawers and cabinet space, with soft-close undermount glides keeping everything tidy and within easy reach.
