

Flynn Dining Table Natural

Turned legs give mango wood its table manners. A thick round top gives the Flynn dining table a grounded presence, while turned legs bring a classic handcrafted look. The light natural finish highlights the wood grain, keeping the traditional silhouette warm and easy to place. Its round shape invites conversation from every seat, with a welcoming surface for everyday meals and longer dinners alike. Classic, with freshness in the grain.

- Classic Round Form: A round tabletop and traditional silhouette give the Flynn dining table an inviting shape for shared meals, so the silhouette feels intentional from every angle.
- Natural Mango Wood: Mango wood in a light natural finish highlights the grain, bringing warmth and visible natural character to the dining room.
- Turned Leg Detail: Turned legs add a classic handcrafted look, supporting the thick tabletop with rhythm, detail, and grounded presence, giving the piece a more finished furniture feel.
- Gather Round: The round shape keeps conversation open across the table, making everyday dinners and longer gatherings feel naturally connected, while adding practical purpose to the design.
