Fenwick Oval Dining Table Dark Brown

A woven raffia base turns a dining table into a sculpture. Warm oak in dark brown stain sits above that hand-wrapped synthetic raffia base, giving the Fenwick a relaxed, transitional balance of hardwood and texture. Its generous oval top makes room for up to eight, drawing everyone toward the middle for long, easy, shared family meals. Warm wood and woven texture—refined without trying too hard.

- Sculptural Raffia Base: A sculptural woven raffia base anchors the oval top, bringing handcrafted texture and a relaxed, transitional presence to the dining room.
- Oak And Raffia: A warm oak surface in dark brown stain meets a synthetic raffia base, pairing smooth hardwood with woven texture for a layered look.
- Hand-Wrapped Detail: Hand-finished hardwood edge and legs meet hand-wrapped raffia detailing, a craftsmanship pairing that gives the base genuine artisanal character throughout.
- Seats Up To Eight: The generous oval top seats up to eight, drawing family and guests toward the center for long dinners and easy, lingering conversation.
