

Wynn Counter Stool Black

Counter-height and hand-woven, paper cord pulled up where the action is. A classic woven-cord silhouette gives the Wynn an artisan presence at the island or bar, with a 26-inch seat sized for everyday gathering. The seat is hand-woven natural paper cord on a solid oak frame, with hand-finished joinery in every joint. Finished in a deep black, the artisan companion to the Wynn dining chair.

- Counter-Height Craft: A counter-height woven-cord silhouette brings artisan character to an island or bar, pulling up where snacks, homework, and conversation happen.
- Paper Cord and Oak: A hand-woven natural paper cord seat sits on a solid oak frame, pairing woven texture with warm, solid hardwood throughout.
- Hand-Finished Joinery: Solid oak joinery is hand-finished and paired with a hand-woven seat, a made-by-hand approach you can see in the details.
- A Matching Companion: The 26-inch counter stool echoes the Wynn dining chair, so the two pair naturally across a connected kitchen and dining space.
