

Tess Floor Lamp Oat

A tall, tapered cone that reads as much like sculpture as light. An architectural, tapered base gives the Tess floor lamp a strong, grounded presence, wrapped in soft woven linen in a warm oat tone. The woven texture catches the light in a gentle, organic way, keeping the whole piece calm and considered. A floor lamp that holds a corner the way a sculpture holds a plinth.

- Architectural Cone: A tall, tapered cone base brings a strong, sculptural presence that anchors a corner like a piece of art of its own.
- Linen-Wrapped Form: Soft woven linen wraps the base and shade in a warm oat tone, bringing natural texture to the tall, architectural shape.
- Soft, Organic Glow: The woven linen catches and diffuses light in a gentle, organic way, casting a calm, warm glow across the room.
