

Plank Queen Bed

With naturally finished solid oak, the Plank collection shows off all the organic appeal of the trees it's made from. A gorgeous display for the wood, the Plank bed's expansive headboard revels in the unique woodgrains and whorls. Available in a queen and king, this bed will bring all-natural vibes to your bedroom. Pair it with the Plank nightstand for a complete set.

- Wide Headboard Line: An expansive headboard and low-profile frame create a broad, grounded silhouette that keeps the room feeling open and visually settled.
- Distinct Oak Grain: Solid oak brings natural grain, knots, and variation to the surface, so each piece carries its own quietly individual character.
- Simple Strong Base: Solid oak construction with solid mango wood slats creates a straightforward foundation that feels sturdy, considered, and easy to live with.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.
