

Gigi Table Lamp Dark Brown

- Piping hot detail. Wrapped head to toe in soft cotton fabric with tonal piping that trims the shade like fine detailing, Gigi’s tailored, sculptural, and surprisingly warm. The geometric shade and round base strike a playful balance, while rich tones and subtle texture give it vintage charm. It’s lighting with layers, and always dressed for the part.
- Fabric-Wrapped Design: A fabric-wrapped base and shade create a soft, inviting, and tactile appearance. The use of cotton fabric adds a sense of warmth and comfort.
 - Tonal Piping Detail: The shade is adorned with tonal piping detail along its edges. This subtle accent adds a touch of visual interest.
 - Eye-Catching Contrast: The geometric shade and round base create a captivating interplay of angular and curved elements, instantly drawing the eye.
