Jespen Kitchen Island Brown

A kitchen island that came prepped for a crowd. Solid acacia forms the leg, frame, and top in a mid-tone brown, giving the Jespen island a foundational, timeless presence at the center of the kitchen. A generous top offers wide room to prep and gather, with seating for stools on one side and integrated drawer storage on the other for everyday kitchen tools. Prep, gather, stash, repeat — the kitchen's new center of gravity.

- Foundational Island: A generous counter-height silhouette anchors the kitchen with clean, timeless lines, offering a wide surface to prep, serve, and gather around.
- Solid Acacia Top: Solid acacia forms the leg, frame, and top with warm natural grain in a mid-tone brown, bringing durable wood character to the kitchen.
- Prep and Storage: A wide top doubles as prep and serving space, with stool seating on one side and integrated drawer storage on the other for daily tools.
- Made for the Kitchen: A stain-resistant surface stands up to spills, prep, and everyday cooking, keeping the island looking clean and considered through regular use.
