

Malone Counter Stool Speckled Hair On Hide

Counter-height comfort, sculpted in oak and hide. Genuine speckled hair on hide leather brings organic texture and natural pattern to the Malone counter stool, while a solid oak frame keeps the compact profile warm, clean, and modern. Foam and fiber fill over a plywood support frame makes for an everyday-comfortable seat at the island or bar. A compact stool with real character—pull up a few and let the kitchen fill in.

- One Of A Kind Hide: Genuine speckled hair on hide leather brings organic texture, each stool uniquely patterned by nature for markings all its own.
- Solid Oak Frame: A solid oak frame brings warmth, character, and lasting structure, grounding the stool for daily use at the counter, year after year.
