

MOE'S

Monet Queen Bed Black

Drawing inspiration from the desire to balance metal's sturdy nature with a gentler aesthetic, the Monet bed features graceful curves and finial detailing reminiscent of classic architecture. Traditional slatted contrast on both the headboard and footboard adds texture and visual depth, and the unique fusion of materials offers a softer take on the metal bed.

- Airy Curves: Graceful curves and finial detailing lighten the profile, giving the bed an airy presence with a nod to classic architecture.
- Slatted Contrast: Acacia wood slatting and iron bars bring warmth, contrast, and visual depth to the headboard and footboard, reinforcing the bed's classic detailing.
- Iron Frame Detail: The iron frame shapes the bed with clean structure and a lighter visual profile, letting the curved silhouette feel open and considered.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.

Item Code	PZ-1001-02-0
Swatch Code	
Country Of Origin	INDIA
Product Materials	Iron, Acacia Wood
General Dimensions	63.5" W X 83.35" D X 42.0" H
