

Simon King Storage Bed Flecked Beige

A bed with a hidden trick. The Simon Bed features a rounded silhouette with piped detailing, upholstered in flecked beige polyester for softness and durability. The full footboard pulls forward to reveal storage divided into two panels, keeping essentials organized without clutter. Built with engineered wood, solid wood, and MDF, Simon turns practical storage into part of the design story.

- Rounded design: Oversized headboard with curved edges and piped detailing creates a soft yet tailored silhouette with modern appeal.
- Beige upholstery: 100% polyester fabric in a flecked beige finish offers durability with a tactile texture suited for daily use.
- Solid frame: Built from engineered wood, solid wood, plywood, and MDF for reliable structure and lasting stability.
- Drawer storage: Full footboard pulls out to reveal two-panel storage, keeping everyday items organized while maintaining a seamless exterior.
