

Sakai Accent Table Brown

When less is more. Beyond minimalism, there is “MA,” an ever-present concept intrinsically woven into all aspects of Japanese daily life. MA is like a holder within which things can exist, stand out, and hold their meaning. It is the actual emptiness that becomes full of possibilities. Sakai holds to this ethos stylized as an accent table with a deliberate beginning and a purposeful end. Z for Zen, this table is fluent in itself, sitting shallow to the wall in 100% matte walnut.

- Compact Rectangular Profile: A clean, contemporary shape designed to fit naturally into smaller rooms and tighter floor plans without feeling like an afterthought.
- Solid Walnut Construction: Every surface is crafted from solid walnut, offering natural grain variation and a depth of warmth and character unique to real hardwood.
- Matte Walnut Finish: A soft matte treatment lets the natural grain speak for itself, adding visual depth and a grounded, lived-in warmth to any setting.
- Scratch-Resistant Surface: Holds up to everyday wear and the occasional bumped coffee mug, keeping the tabletop looking clean and considered over time.
