Segment Coffee Table Orange Levante Marble

Intersecting through material and form, the Segment coffee table's unique marble striations dance across the surface of its design, traced by the earth, adding intrinsic elements to any interior. Soft edges materialize through solid orange lavante marble, the segmented base taking shape with an angular cut from a rounded form.

- Made of solid orange lavante marble
- Please note that due to the natural variances in marble, each table will vary in tone & vein markings
- To keep its elemental essence pristine, please use a coaster on the orange marble surface
- Assembly required
