

Shabbat Marble Serving Board - Toronto Marble

SKU: TOV-T19018

Elevate your hosting ritual with the Shabbat Marble Serving Board, a piece designed to bring beauty and meaning to the table. Crafted from solid marble, each board showcases natural veining that makes every piece uniquely its own. The softly scalloped edge introduces a graceful silhouette, while the engraved Hebrew “Shabbat” lettering adds a thoughtful, celebratory touch. A subtle reservoir channel runs along the surface, helping catch crumbs or oils so presentation stays as polished as the moment deserves. Whether styled with challah for Friday night, arranged with cheeses and fruit for gathering with friends, or simply displayed on the counter between uses, this board blends timeless material with intentional design. Available in two marble tones, it offers an elevated way to honor tradition while bringing sculptural beauty to everyday hosting.
