

MOE'S

Elo Chair Black

Armchairs, refined. With the Elo, the essential design elements of an armchair have been distilled to their purest form, while retaining 100% of the comfort. Settle into the plush foam seat, then lean back into the cradling embrace of the softly rounded back and arms. A durable frame of solid plywood offers support, while a foam-cushioned seat and softly textured polyester upholstery keep you cozy. The versatility of its design also means the Elo can serve multiple purposes—as an occasional chair, office chair, or naturally your new favorite armchair. Offering comfort and design in equal measures, the Elo is contemporary-modern style at its most welcoming.

- Armchair, Refined: Essential armchair elements pared back to a softly rounded silhouette that reads as a standout occasional chair in contemporary modern rooms.
- Soft Black Upholstery: A polyester blend with vinyl, flax, and cotton gives the upholstery a soft hand and subtle texture in deep black.
- Support Where It Counts: A medium density foam seat over Pirelli webbing keeps the sit comfortable, with a spacious plywood frame holding the shape underneath.
- Three Chairs in One: Its versatile scale works as an occasional chair, an office chair, or the armchair you settle into at the end of the day.

Item Code	ZT-1032-02
