

Faye Accent Chair Black Boucle

A curved back and a firm bench seat give Faye its vintage, art-deco lean. The accent chair keeps proportions generous and grounded, perched on petite, rounded rubberwood legs that lighten the whole look. Textured black boucle brings depth and a soft hand, while a solid beech and plywood frame with S-frame and webbing keeps the seat supported. Foam and fiber cushioning settles in for the long sit. One seat, plenty of character.
