

Harmony Accent Chair Dark Green Faux Mohair

Rolled arms and continuous piping trace a traditional line—Harmony keeps it current. The accent chair softens that classic profile with a gentle curve, perched on turned birch legs that lift it off the floor. Dense faux mohair in a moody dark green, a 100% polyester velvet, brings a plush look with a durable 100,000-rub count that suits busy rooms. A plywood frame and foam-and-fiber cushioning keep the seat steady. Traditional bones, easygoing attitude.
