

Verlainne Chair Raven Black

Some chairs know how to hold a room—Verlainne just happens to hold you, too. It riffs on an old-school armchair silhouette, then sharpens it up with a slim metal frame and clean, modern lines. Wrapped in raven black top-grain leather, it's designed to age well, developing character over time. Inside, foam cushions and zig-zag spring support keep the sit comfortably supported. Consider it your new favorite landing spot.

- Modern, Old-Soul Shape: A classic armchair profile gets a cleaner, lighter look thanks to slender proportions and a streamlined frame.
- Top-Grain Leather: 100% top-grain leather is smooth, wipeable, and made to develop natural patina over time for a more lived-in feel.
- Supportive Comfort Stack: Foam cushions pair with zig-zag spring support to create a seat that feels comfortable and steady through long sits.
- Leather-Wrapped Arms: Slim arms are wrapped in leather for a finished touch that feels considered, not fussy, from every angle.
