

Eckersley Lounge Chair Olive Leather

Featuring a solid oak frame finished in a warm vintage stain that highlights the natural beauty and graining of the wood, the Eckersley lounge chair draws inspiration from the past, infusing any space with rustic warmth and sumptuous comfort. While generous in its proportions, the wide, sturdy arm profile is perfectly complemented by the plush top-grain leather upholstery, offering an irresistibly inviting tactile experience

- Generous Lounge Form: Wide proportions and a cushion back give the chair a relaxed lounge presence that invites reading, resting, and staying awhile.
- Olive Leather Mood: Top-grain leather upholstery in olive brings a grounded green tone with natural character that works well with wood textures around it.
- Oak Frame Strength: The solid oak frame adds visible structure and warm material contrast, giving the chair a well-made feel from every angle.
- Supportive Seat Story: High-density foam and S-spring suspension add comfort beneath the leather, supporting everyday lounging with an easy, settled feel at home.
