

Shelley Tall Cabinet Natural

A cabinet that doubles as a wardrobe—crown molding and all. Behind two large upper doors, the Shelley Tall Cabinet opens to generous hanging and shelving space, with two drawers at the base for everything else. A solid oak frame carries the refined silhouette from top to bottom, while raised-panel detailing on the doors and drawers adds depth and craftsmanship. Wardrobe by function, considered by design.

- Refined Head to Toe: Crown molding up top and tapered legs at the base give the tall cabinet a refined silhouette that holds its own anywhere.
- Solid Oak Frame: A solid oak frame in a natural finish brings warm grain and lasting structure, grounding the tall cabinet with genuine hardwood character.
- Raised-Panel Detail: Raised-panel detailing on the upper doors and base drawers adds depth and a sense of craftsmanship across the full height of the front.
- Doubles as a Wardrobe: Two large upper doors open to hanging and shelving space, while two base drawers add practical storage, letting the cabinet double as a wardrobe.
