

Smith Wall Decor Bronze Set Of Two

Finished in a mesmerizing aged bronze tone, the Smith wall decor is a duo of narrow iron panels that tell a story of time and transformation. A carefully orchestrated oxidation process creates a unique patina, with rust-toned hues dancing across the surface. Versatile in their simplicity, these panels can be arranged vertically or horizontally, allowing you to curate a personalized visual narrative.

- Contemporary metal wall art comprised of two rectangular panels
- Please note that no two items are alike. Each piece will be unique due to the nature of the reactive finishing process
- Hanging hardware included
