

Sora Framed Painting

Three organic forms in black, white, and warm gray, set bold against soft cream. Heavy impasto gives the Sora a sculptural, almost three-dimensional surface, the paint laid on thick like plaster relief. Acrylic on canvas, the graphic composition stays restrained yet dynamic, and the palette works across a wide range of rooms. Framed in solid white wood, texture you can read from across the room.

- Bold Graphic Forms: Three organic forms in black, white, and warm gray sit against soft cream in a bold, considered, graphic composition.
- Heavy Impasto Texture: Thickly applied acrylic builds a sculptural, almost three-dimensional surface, like plaster relief, that gives the piece genuine depth and presence.
- Versatile, Restrained Palette: A restrained palette of black, white, cream, and warm gray makes the piece easy to work into a wide range of interiors.
