

Stellan Accent Chair Brown Leather

Fold-over arms and an exposed wood frame, doing the visible heavy lifting. A rounded, supportive silhouette gives the Stellan a transitional appeal in any room, with arm detailing that adds a quiet point of difference. Brown top-grain leather covers a foam-and-fiber seat on a solid poplar and plywood frame, aging into a deeper, natural patina over time and everyday use. Better with every passing year.

- Fold-Over Detailing: A curved back and fold-over arm detailing shape a rounded, supportive silhouette with a transitional, considered point of difference in the living room.
- Top-Grain Leather: Brown top-grain leather wraps the seat and ages into a natural patina, deepening in warmth and character over time.
- Exposed Wood Frame: An exposed solid wood frame on a poplar and plywood structure puts the craftsmanship on show while holding the seat steady.
- Rounded and Supportive: A rounded, supportive silhouette over a foam-and-fiber seat keeps the chair comfortable for long sits and easy everyday lounging.
