

Taffy Accent Table Navy Blue

Rounded ridges wrap a cylinder — Taffy is sculpture you can sit on. The ridged silhouette adds quiet rhythm to a simple, grounded form, equally at home as an accent table or a spare stool, here in a deep navy. Made from fiber-reinforced natural concrete, each piece varies slightly in color, pattern, and texture, so no two are quite alike. Stain- and water-resistant, it handles patio duty and indoor spills alike. Small footprint, sweet payoff.
