

Tate Dining Chair Beige Set Of Two

Straight lines here to shake things up. Tate brings a thoughtful take on tradition. Inspired by Shaker design, it keeps things clean and crafted —turned detailing, curved back support, and legs that peek just through the seat for a subtle nod to joinery. Stretcher bars ground the shape and add a touch of timeless charm. Finished in warm, wire-brushed wood with an optional cushion for comfort, it’s relaxed, well-made, and ready to take a seat at any table.

- Subtle Curves, Handcrafted Feel: The gently curved back support and turned detail on the back frame add comfort and a handcrafted feel.
- Warm, Inviting Tone and Texture: Upholstered in warm fabric and framed with wire-brushed, natural-finish rubber wood for a warm, inviting feel.
- Removable Seat Cushion: Customize comfort with a removable seat cushion. Enjoy the plush cushion, or remove it to appreciate the beautifully crafted wooden frame – the choice is yours.
