

Theo 2 Drawer Nightstand Natural

Curved and functional — just how we like it. A rounded, sculptural silhouette brings the Theo nightstand into modern and Scandinavian bedrooms, with no sharp edges in sight. Solid oak in a semi-gloss natural finish shows off grain, knots, and tone, so each piece reads a little differently. Two felt-lined drawers glide on soft-close hardware with safety stops, making late-night grabs smooth and quiet. Soft shape, steady function.

- Soft Shape, Clean Look: A curved silhouette with no sharp edges gives Theo smooth lines and a soft presence rooted in easy Scandinavian design.
- Natural Oak Finish: Solid oak in a semi-gloss natural finish highlights the grain, knots, and tone variation, so each piece turns out subtly one of a kind.
- Clean Joinery: Assembled with classic butt joints, the nightstand delivers everyday strength and clean construction that keeps the focus on its rounded form.
- Quiet Storage: Two felt-lined drawers with soft-close glides and safety stops make late-night grabs smooth, silent, and satisfying every single time you reach in.
