

Theo Desk Natural

A desk that actually gets your workflow. The Theo desk pairs a curved profile with open shelving and plenty of room to spread out. Made from solid oak with a semi-gloss finish, it celebrates the beauty of natural wood—knots, grains, and all. With three integrated shelves and a fully finished back, it’s made to look good from every angle—and work just as hard as you do.

- Curved, Minimal Design: Scandinavian-inspired with rounded edges and an oval top—clean, calming lines that play well with modern workspaces.
- Solid Oak Build: Crafted from solid oak with a semi-gloss finish that highlights the wood’s natural character, grain patterns, and subtle imperfections.
- Crafted for Character: Each desk has its own unique personality thanks to the natural variation in wood knots, tones, and textures.
- Open-Shelf Storage: Three fixed open shelves keep your daily tools, books, or tech within reach—no drawers, no digging, just streamlined access and clean design.
