

Tyra Ash Nightstand - Black

SKU: TOV-B55018

The Tyra Nightstand proves that the most considered details are the ones you never notice. No hardware, no fuss, just the quiet confidence of clean wood grain and seamless lines doing all the work. Crafted with ash veneers, its smooth, uninterrupted drawer front sits flush and refined, like it was built into the room itself. Available in a warm natural finish or a dramatic deep black, Tyra slides just as effortlessly into a Japandi-inspired sanctuary as it does a sleek modern bedroom or a softly layered transitional space. The deep drawer opens on metal extension glides, silent, smooth, and fully accessible, keeping your bedside essentials organized without the morning scramble. A multi-coat protective finish means it stays looking this good long after move-in day. Minimal by design, intentional in every detail.
