

Vancouver Side Table Light Brown

Embrace the modern look with the Vancouver Side Table. This sleek contemporary style is constructed with a solid acacia wood stained with a light brown finish and an iron frame that will withstand harsh wear and tear.

- **Tray-Style Acacia Top:** A solid acacia surface with raised edges keeps books, remotes, and decor neatly corralled while showing off the wood's warm natural grain.
- **Smooth-Gliding Drawer:** Side-mount ball bearing glides let the single drawer open and close with steady ease, keeping everyday essentials hidden and within easy reach.
- **Powder-Coated Iron Frame:** A durable powder-coated iron base brings industrial presence and dependable structure, standing up to daily wear without showing its age.
- **Industrial Warmth:** The pairing of light brown acacia and dark iron creates a tonal contrast that feels grounded and considered, fitting naturally into living rooms and dens.
