

Verano Framed Painting

Layered blocks of color with torn-paper edges, collaged like a study in restraint and warmth. A small-format abstract, the Verano leans handmade and organic, its warm terracotta, brown, and cream grounded by a single block of black for contrast. Acrylic on canvas, the uneven layered edges add raw texture and a considered, handcrafted feel. Framed in solid white wood, small in scale, but big on character.

- Layered Abstract: Layered blocks of color and torn-paper edges form a small-format abstract with a collage-like, handmade quality that draws a closer look.
- Acrylic on Canvas: Worked in acrylic on polyester canvas and framed in solid white wood, the uneven layered edges add raw, handcrafted texture and depth.
- Warm, Earthy Palette: A restrained palette of terracotta, brown, and cream, grounded by a single block of black, brings warm, grounded tone to a wall.
