

Villetta Dining Chair Stripe Set Of Two

A finial flourish nods to the '60s and '70s without getting stuck there. A curved, padded high back meets a solid ash frame on the Villetta dining chair, a vintage-leaning silhouette that still reads modern at the table. Striped upholstery wraps a high-density foam seat that holds up to long, leaning-back dinners, its movement adding color and energy to a place setting. Designed by Gillian Segal for Moe's. Vintage character, dialed up for the modern table.
