

Wade Storage Coffee Table Natural

Clean lines up top, clever storage underneath. Wade pairs a dome-like silhouette with a pedestal base, so the room feels open, not crowded. Rounded edges and a warm natural finish let the wood’s grain do the talking, while the swivel top reveals hidden storage for remotes, magazines, and the little stuff that adds up. It’s sculptural enough to admire, and practical enough to live with—daily. Pull it for movie night, then spin it shut again.

- **Sculptural Silhouette:** Dome-shaped top and rounded profile bring soft geometry, while the pedestal base keeps the look airy and visually light.
- **Warm Natural Wood:** Solid wood construction in a natural finish highlights rich grain variation, giving every table its own subtle character.
- **Grounded Pedestal Base:** Stable central support and smooth, rounded edges create a well-made feel and an easy flow around the table.
- **Hidden Storage Spin:** Swivel top opens to a roomy compartment for remotes and reading material, then closes cleanly to reset the space.
