

Walker Coffee Table

Light, easy, and quietly confident. The Walker Coffee Table keeps things open, pairing an airy presence with thoughtful texture that rewards a closer look. A clear glass top creates a floating effect, letting the layered paper cord base take center stage without weighing the room down. Grounded by warm acacia wood, the mix feels relaxed yet intentional. It’s the kind of piece that brings balance to a space—nothing extra, nothing missing.

- Open, Airy Look: A clear tempered glass top creates a light visual footprint, helping the room feel uncluttered while showcasing the sculptural base below.
- Natural Material Mix: Acacia wood, woven paper cord, and smooth glass work together to balance warmth, texture, and contrast in one cohesive design.
- Thoughtful Craft: Layered paper cord wrapping adds subtle pattern and reflects careful workmanship with a relaxed, handcrafted sensibility.
- Everyday Ease: The glass surface offers a practical, easy-to-clean top while maintaining an open feel that suits a range of living spaces.
