

Yale Bar Cabinet Black

A vertical bar cabinet that keeps the good stuff close. Solid acacia frames the front and sides in clean, modern lines, giving the Yale cabinet a warm, grounded presence in the dining or living room. Inside, dedicated storage keeps glassware and spirits organized and within reach, while powder-coated steel hardware adds a crisp, durable contrast against the wood. Everything for the evening, behind one well-dressed front.

- Vertical Bar Silhouette: A tall, narrow profile with clean modern lines makes a focused home for the bar, fitting easily into a dining room, living room, or den.
- Solid Acacia Front: Solid acacia wraps the front and side frame with natural grain and a warm black finish, bringing depth and wood character to the room.
- Dedicated Bar Storage: The interior is set up to keep glassware and spirits organized and within easy reach, turning the cabinet into a ready-to-pour home bar.
- Powder-Coated Hardware: Powder-coated mild steel hardware adds a crisp, durable contrast against the wood and stands up to daily opening, closing, and evening entertaining.
