

Zola Outdoor Dining Chair Natural Set Of Two

The outdoor chair woven with indoor confidence. Zola shows up structured and styled. A tonal basketweave wraps a modern powder-coated frame—hand-woven for texture that stands out from every angle. Twisted hyacinth adds depth and durability, while the curved silhouette keeps things feeling easy. It’s sculptural, sturdy, and built to earn its seat at the table (even if it’s outside).

- **Tonal Finish:** Coordinated twisted hyacinth wicker weave and frame colors create a cohesive, polished look.
- **Powder-Coated Steel Frame:** Durable, rust-resistant frame ensures long-lasting quality to withstand the elements.
- **Stackable Convenience:** Designed with space-saving practicality in mind, the dining chairs neatly stack together when not in use, maximizing your outdoor space and making storage a breeze.
