

BOHEME BOH34

The Zelara design from the Boheme collection carries the patina of a vintage heirloom - its Persian-inspired florals softened over time, unfolding in a calming palette of layered blues and grays. A gently distressed finish gives it a sense of history, while its power-loomed construction in polyester and sustainable recycled cotton brings modern durability. With a low pile, it?s designed to live effortlessly in high-traffic spaces without losing its sense of elegance.
