CANYON 01 CNL103

CallaLuxe by Jaipur Living defines the new standard in luxury performance rugs. Innovative yarn construction delivers the high end softness and texture of wool with the resilience of performance. Echoing the enduring beauty of sculpted landscapes, the Korleth design from the Canyon Collection marries organic elegance with innovative performance. These textured solids are a hand-woven flatweave construction, a technique carried forward by artisans in Rajasthan for generations. Warp and weft interlock without knots or pile, creating a low-profile built for the rooms that get used hardest. Crafted with solution-dyed acrylic fibers, exclusively engineered for Jaipur Living. Color is infused at the fiber's core, so full saturation holds year after year.
