

CASEN CSN07

The Kaelen design from the Casen collection tells a story rooted in tradition, reimagined for modern living. Its bold geometric medallion and tribal motifs draw inspiration from Turkish artistry, softened into warm tan and beige tones that feel both grounded and inviting. Hand tufted from 100% PET recycled yarn, it transforms sustainable materials into a rug built for real life, offering exceptional durability, natural stain resistance, and a soft, plush feel underfoot.
