

CASEN CSN09

The Miraleth design from the Casen collection captures the romance of a vintage textile, reinterpreted with a softer, more modern design. Its damask motif, a pattern of scrolling florals and symmetrical medallion shapes, traditionally found in classic European textiles, emerges through layers of warm tan, beige, and muted blush. Hand tufted from 100% PET recycled yarn, it transforms sustainable materials into a plush, inviting foundation. Its pile offers a softness underfoot, while inherent durability and stain resistance make it effortlessly livable.
