

CERA CRA11

The Roshell design from the Cera collection reimagines classic plaid through a more refined, lived-in lens. Structure meets softness and pattern feels intentional. Bands of slate blue and seafoam green intersect with warm tan, creating a balanced rhythm of color that grounds the space while adding depth and movement. Handknotted from 100% wool, it carries the enduring qualities of natural fiber - soft underfoot, inherently resilient, and naturally resistant to stains, making it as practical as it is beautiful. Its dense, low pile is finished with a subtle ribbed texture, offering a tactile dimension that elevates the geometry.
