FRAGMENT FRG12

The hand-tufted Fragment collection showcases motifs inspired by nature and minerals, adding the perfect touch of pattern and intrigue to modern spaces. The Odilia design draws from the ethereal beauty of light, featuring a scattered, luminous effect in warm brown tones that transforms any room with a soft, radiant glow. A luxurious wool-viscose blend is cut, then hand-embossed to create a captivating interplay of texture, luster, and depth.
