

HIGHER GROUND HRG01

The Mazie design from the Higher Ground collection brings a sense of quiet grounding to the room. Where warm ivory and subtle blue tones come together in vertical channels that echo the irregular beauty of vintage, tribal rugs. This linear texture creates gentle movement, while a contrasting flat-woven border in blue adds structure and definition. Handwoven from exceptionally soft New Zealand wool, valued for its looped pile, durability, and natural resilience, it offers a plush, inviting feel underfoot. The high-low construction enhances its tactile depth, blending softness with dimension.
