

LAYERED FORM LYD04

The Navaeh design from the Layered Form collection captures the interplay of landscape and structure. Its abstract color-block composition layers tranquil blues with warm tan in a way that feels both organic and architectural. The design unfolds with subtle shifts in tone and texture, creating depth that evolves with the light and brings a sense of calm movement to contemporary spaces. Hand tufted from a balanced blend of New Zealand wool and viscose, it offers a refined, luminous sheen. The plush, multi-dimensional pile enhances its sculptural quality, delivering an incredibly soft feel underfoot.
