

SERENITA SRE06

The Orsino design from the Serenita collection brings a sense of calm refinement to the room, where a softly distressed traditional pattern unfolds in layered green and ivory tones. Its depth and variation come from space-dyed yarns, where color is applied in subtle, tonal shifts before weaving. The cross-woven construction, which interlaces multiple yarn colors, creates high-definition detail and dimension. Power-loomed from 100% polyester, it offers the ideal balance of beauty and practicality, with durability, fade resistance, and easy care built in.
