

TRUE HUE TRU09

The Solara design from the True Hue collection is handloomed with New Zealand wool in a deep blue palette with dark teal and slate undertones. Its dense, velvety pile feels exceptionally soft underfoot, while a luminous wool sheen gives the surface a polished glow. From different angles, the rug reveals pronounced tonal dimension, creating a refined foundation with tactile depth and elevated simplicity.

CARE INSTRUCTIONS

Clean spills immediately by blotting. Professional cleaning is recommended for tough stains. Shedding is inherent to wool rugs and occurs primarily in the first 3-6 months. Regular vacuuming will reduce shedding over time.
