

URBAN PAUSE UPK06

KAVI

Inspired by the unrushed quality of the natural process, the Urban Pause collection features an assortment of grounding solid designs that are anything but basic. Rayon made from bamboo lends an inviting, silk-like texture and unique light-to-dark effect to the hand-knotted quality. The Olis rug showcases a lustrous sage green that is grounded by the naturally textured, complimentary green wool fibers, creating a distinct shine and matte combination.
